

## **DOGGY DAY CAMP**

### **GENERAL INFORMATION AND POLICIES**

The purpose of Doggy Day Camp is to provide a safe, fun and stimulating social environment for dogs to interact and play with other dogs as well as humans. To ensure the safety and health of your pet and our other guests, we require all guests to comply with the following rules and regulations:

**AGE & SEX:** All puppies must have completed their puppy series of Distemper/Parvo, at least 2 Bordetella's (Initial vaccine and at least 1 booster,) and Rabies. All dogs, regardless of age, must be spayed or neutered to interact with the other guests.

**VACCINES:** All dogs must have up-to-date vaccinations at all times. Posh Paw must be able to confirm vaccinations prior to arrival. Vaccines are not allowed to be given on the same day of coming into the facility.

**HEALTH:** All dogs must be in good health. Owners will certify their pets are in good health and have not been ill with a communicable condition in the last 30 days. Upon admission, all dogs must be free from any condition which could potentially jeopardize other guests, including fleas and parasites. Dogs that have been ill with a communicable condition require veterinarian verification of health to be admitted or readmitted, **and** the approval of the Posh Paw staff.

**BEHAVIOR:** All dogs must be non-aggressive and not be food or toy protective. Owners will certify their dogs have not harmed or shown any aggressive or threatening behavior towards any person or any other dog(s). Please remember: your pet will be spending time with other pets and the safety and health of all animals is our main priority. In the event your pet is injured or injures another dog, or is exposed to contagious playtime illnesses, the owner is responsible for veterinary fees and/or services.

**SPECIALIZED DAY CAMP/DAY BOARDING:** Day camp is designed for dogs that enjoy and are friendly with other dogs. We have limited space available for "specialized day camp" or "day boarding." These may be dogs that do not play well with large groups of other dogs. Specialized day camp dogs receive numerous periods of one-on-one playtime with staff members during the day. This provides for their safety, as well as the safety of the other dogs.

**DAYS AND HOURS:** Monday through Friday from 7:30am to 6pm. Saturdays 10:00am-2:00pm. Any day camp closings will be posted ahead of time to allow for other arrangements.
